### Heavy Voting Last Night—Com- pany K to Drill—Other Notes.

The contest for queen of the carnival  
ended last night, and Miss Elizabeth  
Sinnott was chosen queen by a vote  
of 4,789, Miss Schwab coming next  
with 1,584 votes, and Miss Fannie  
Tulivan third with 831. The total  
vote cast was 9,063, over three thousand  
of which were cast last night.

The maids of honor to the queen, as  
appointed by the king, will be found  
named in a proclamation elsewhere.

A committee from Co. K, reported to  
the carnival committee at its meet-  
ing last night that 75 men had prom-  
ised to join the drill. They hope to  
have equipments here Monday and  
begin drills then.

The floats for the carnival are ex-  
pected to arrive this afternoon from  
St. Louis.

A band has been organized here, and  
a subscription started among the  
merchants for the maintenance of it.  
It is thought that it will be a success.

Tomorrow morning the program for  
the two days will be published.

The key to be presented by the mayor  
to the king has been constructed and  
measures four feet in length. It was  
made of tin and by Mrs. Wolfe, the  
Court street tinner, and is a very neat  
piece of workmanship. It is in charge  
of Mr. Louis Ligonier.

The printers who are to form the  
floatband procession are drilling night  
ly and will be in fine shape by the  
day of the parade.

On motion the meeting was adjourned  
to meet again Monday night, and a  
special request is made that all the  
members of the various committees be  
on hand at 8 o'clock.

### SERGEANT BLIGHT COMING.

Sergeant Blight is expected Mon-  
day from Louisville to enlist recruits  
for the regular army. It is expected  
that he will make a good hand this  
time, as there are now five or ten  
names of those who have applied to  
Dr. Brooks for examination.

### CONNECTED WITH SEWERS.

The work of connecting the county  
jail with the city sewers has about  
been completed and Mr. J. E. Con-  
son was today allowed \$500 in the  
county court.

### WINS HIS SUIT.

NEW YORK, Oct. 21.—In the supreme  
court the suit of Rev. D. C. Potter  
against the Baptist Missions society  
for \$100,000 damages resulted in a  
verdict of \$8,000 in favor of Dr. Pot-  
ter. He was formerly pastor of the  
Tabernacle church, from which he was  
deposed by force March 3, 1897. He  
alleged he was in possession of a lease.  
John D. Rockefeller inspired the ac-  
tion of the Baptist Missions society.

## OVER THE HILL

From Glencoe the British Have  
Chased the Boers, Driving  
Them Eastward

### THE LOSSES OF THE BATTLE

More Soldiers Leave London For  
the Seat of War Awaken-  
ing Much Patriotism.

### THE LATEST FROM SEAT OF WAR

LADYSMITH, Oct. 21.—English cav-  
alry detachments are still chasing  
the Boers to the eastward.

GLENCOE, Oct. 21.—The British  
casualties include Colonel Bech,  
Sherston and Adams, all seriously  
wounded, and also Major Hamerly  
and Davidson of the Dublin fusiliers  
who led the charge. A captain and a  
lieutenant were killed and two cap-  
tains and one lieutenant injured. Of  
the Royal Irish fusiliers a captain  
and a lieutenant were killed and a cap-  
tain and three lieutenants were wound-  
ed. Of the King's Royal rifles a lieuten-  
ant, colonel, a captain and three lieuten-  
ants were killed and a major  
and two captains and three lieuten-  
ants wounded. Of the Eighteenth  
Hussars three lieutenants were wound-  
ed and no killed.

LONDON, Oct. 21.—The Brigade  
Guards left London this morning for  
the Transvaal amid scenes of wild  
enthusiasm. Today is the anniversary  
of the battle of Trafalgar and furnishes  
a convenient outlet for patriotic feel-  
ing. The Nelson's column in Trafal-  
gar square is decorated and the whole  
city is bright with flags.

CAPE TOWN, Oct. 21.—A train  
has arrived at Jagersfontein in the  
Free State, with seventy wounded  
burghers on board.

CAPE TOWN, Oct. 21.—Fear of  
Boer invasion has dispelled the  
success at Glencoe. Train service to  
Aliwal, north, has been resumed.  
The Boers on the colony border have  
withdrawn towards Basutoland, fear-  
ing invasion into the Free State by  
the Basutos, who are anxious to  
avenge old wrongs.

LONDON, Oct. 21.—Brigadier  
Symonds, who commanded the vic-  
torious British at Glencoe, was ap-  
pointed a major general today by the  
queen, for distinguished services.

GLENCOE, Oct. 21.—The British  
lost 41 killed in yesterday's battle,  
including ten officers. The total  
number wounded was 173, including  
22 officers. The Dublin fusiliers  
lost fourteen killed and thirty wound-  
ed. The King's rifles had eleven killed  
and sixty-eight wounded.

BRUSSELS, Oct. 21.—The members  
of the Boer delegation here say the  
Glencoe defeat sustained by their  
forces was due to defective artillery.  
The Boers claim they made a gallant  
fight with the standing regulars of  
Great Britain for eight hours. They  
say the battle of Glencoe will prove  
another Bunker Hill.

LONDON, Oct. 21.—It is rumored  
in official circles that Gen. Symonds,  
who was wounded in yesterday's  
battle at Glencoe, is dead.

## ON THE RUN

Goebelites Badly Scared Up—  
Everybody Working.

The Woods Are Full of Them and  
They Are Working Like  
Beavers.

The flight of the Goebelites be-  
comes more and more pronounced  
every day, as the time for election  
draws near. All over the state every  
available speaker is out stumping  
the counties for the music hall candi-  
date. As Sam Jones said, "Every-  
body who can kick, bite or butt is out  
kicking, biting and butting." In  
Kecrocks county it is the same.

This morning Col. Tom Corbett and  
Attorney Jesse Gilbert went out to  
Lamont to speak, and Col. Ed Leigh,  
Congressman Wheeler, Joe Potter  
and L. K. Taylor went out to Ragland  
and Grahamville to speak this after-  
noon and evening.

Ex-Congressman John K. Hendrick,  
who was ostracised a year or two  
ago from the same party for which  
he is now working, went up to Lyon  
county to speak.

It is noticed that the Goebelites  
are very glad to get even the hated "gold  
bugs" back into the fold, although  
they openly threat that the aforesaid  
"gold bugs" need expect nothing but  
to be allowed to vote for them. They  
are regarded as renegades who may  
have the crumbs from the table, but  
nothing else. There is no amount of  
penance they can do that will ever  
entitle them to hold office again as  
Democrats. Yet the gold bugs are  
out helping Goebel, perhaps because  
Goebel himself has been, if he is not  
now, a "gold bug."

The bitter attitude the Goebelites  
have assumed towards the Brown  
men, and their desperate work for  
their ticket, shows that they are badly  
frightened, despite their boastful  
claims.

Generally fair and warm tomorrow.

## FOR PERJURY.

Jeff Walker Arrested on This  
Charge.

Jeff Walker, colored, was arrested  
today on a charge of false swearing  
in the police court. He had a man  
named Chas. White arrested this week  
for using insulting language towards  
him, and his testimony in the police  
court is alleged not to have been in  
strict accordance with the truth.

A warrant was issued against him  
by Justice Winchester and he was ar-  
rested this morning in that court, but  
the case was continued until Tuesday  
morning.

## CZAR TREPPANNED.

Is Now Doing Well and Will Soon  
Be Thoroughly Well

BERLIN, Oct. 21.—It is reported  
that Professor Bergmann successfully  
performed the operation of trepanning  
on the czar at Darmstadt a week ago.  
The czar is doing well, but is ordered  
to stay at Darmstadt till his recov-  
ery is complete.

To His Loyal Subjects  
of the Purchase—

We have received with pleasure  
the deputation sent by our loyal sub-  
jects and note with satisfaction the  
interest taken in our home-coming.

It is our further will and pleasure  
that all of our Viceroys, Satraps,  
Governors and Regents, mentioned  
in our previous proclamation, do  
make diligent search throughout their  
dominions and bring the fairest of  
all the maidens and matrons of their  
respective provinces to our Capital  
City Paducah on 26th day of October  
that our Grand Chamberlain may  
make selection therefrom, one from  
each province to act as maids of honor  
to Queen Autumnia, our royal consort,  
on the occasion of her coronation.

Given under our hand and seal this  
21st day of October A. M. 5903.

## EYE REMOVED.

Successful Operation This Morn-  
ing by Dr. Edwards.

Mr. J. P. Henson, of Paris, Tenn.,  
arrived last night with his little son,  
to have the latter's left eye removed.  
The boy was playing with a railroad  
torpedo about two weeks ago, and  
exploded it with a hammer. A frag-  
ment struck him in the eye, and inflam-  
mation set in to such an extent that  
it had to be removed to save the other  
eye.

The boy was taken to Dr. A. H. Ed-  
wards' office on Broadway this morn-  
ing, and Dr. Edwards, assisted by  
Drs. Murch and Alvey, removed the  
left eye. It is thought that the other  
eye will be saved, the operation being  
a success.

## NO POLICE COURT.

There was only one case on the  
docket of the police court this morn-  
ing, and that was against Walter  
Summers, colored, charged with a  
breach of the peace. This was left  
open until Monday, on account of ab-  
sent witnesses. Ed Marable, the other  
man in the fight, was fined \$20 and  
costs a few days ago.

## TRAIN DELAYED.

The train from Memphis, due this  
afternoon over the I. C. at 2:30  
o'clock, was reported four hours and  
forty minutes late. The cause of  
the delay was not given, being off  
this division of dispatchers, but is  
supposed to be a freight wreck out  
of Memphis.

## PARTED COMPANY.

NEW YORK, Oct. 21.—The yachts  
Columbia and Shamrock parted com-  
pany this morning. The cup defender  
proceeded from Sandy Hook anchor-  
age to off Tompkinsville. As in and  
around steamers passed the ship  
they saluted her by blowing their whis-  
les and dipping colors.

## RATIFIED

Dr. Caldwell and the City Settle  
Their Trouble and Every-  
thing is Lovely.

### CALLED MEETING OF COUNCIL

The Sewerage Pump Will be Run  
By Electricity When the  
Station is Complete.

### PROCEEDINGS OF THE MEETING

The council met last night in regular  
session with all the members present  
except Councilmen Robertson and  
Clark.

The agreement between the city,  
Illinois Central Railroad company and  
Dr. F. B. Caldwell was read. It pro-  
vides that the railroad company shall  
furnish the gravel for the improve-  
ment of Caldwell street, the city shall  
furnish the labor of putting it on, and  
Dr. Caldwell shall dedicate the ground  
and the dirt for the fills, and the  
agreement was ratified.

An ordinance repealing the section  
of the Caldwell street improvement  
ordinances requiring that the im-  
provement of the street with the ex-  
ception of inter sections be at the ex-  
pense of property owners, was read and  
in order that the ordinance conform to  
the new agreement, was repealed.

The completion of the work was ex-  
pected to be completed by December 1.

The city engineer was instructed to  
furnish the city treasurer with a plat  
of the market house, giving the num-  
ber and location of each stall.

Chairman Elliott, of the sewerage  
committee, read a contract his com-  
mittee had made with the Paducah  
Light, Power and Railway company,  
in which the company agrees to fur-  
nish for two years to the city, the  
power to run a 40-horse power dynamo  
a sewerage pumping station, for  
\$6 per day, of 24 hours. The city is  
required to put up and keep in repair  
the wires.

Councilman Elliott explained that  
the advisability of using steam to  
work the pump had been only con-  
sidered, but that as the pump would  
be used only about six weeks out of  
the year, electricity was deemed  
cheaper. He wanted the contract  
made now in order that the work of  
putting up the poles and stringing the  
wires might proceed.

The cost of the poles and wires will  
be about \$275. The contract was  
unanimously ratified.

The itemized report of mayor's or-  
ders allowed at the last regular meet-  
ing of the council was read and rat-  
ified. The invitation of the council to meet  
the carnival king in a body at the  
shar upon his arrival, was accepted.  
Mayor Lang then conferred on Mayor  
Pro Tem Ezell, whose term expires  
in a few weeks, the honor of riding  
in the carriage with the king, and  
turning over to him the keys of the  
city, the mayor to ride with the mem-  
bers of the council.

Mayor Lang said a snake show  
wanted to come to Paducah during  
the carnival, but Councilman Jones  
objected saying that the city was  
already supplied from what he could  
learn, as many of the people and council  
had brought them back from Cairo.

On motion of Councilman Smith, all  
the seats in Yeiser park were ordered  
removed and taken to Oak Grove cem-  
etry.

The council then adjourned.

## FIRE AT BROOKLYN.

House of Mrs. Wm. Taylor De-  
stroyed Last Night.

The home of Mrs. Wm. Taylor, for-  
merly of the city, and wife of the  
late Capt. Wm. Taylor, was destroyed  
by fire at Brooklyn, Ill., last night.  
Many people in the city saw the blaze,  
but did not know what occasioned it.  
The origin of the fire is unknown, but  
the family came near being burned  
to death. Some one in the street saw  
the blaze and gave the alarm.

Among the other furniture destroy-  
ed was a fine piano. The flames were  
prevented from spreading by the val-  
ant crew of the Tennessee, which was  
laying at the wharf.

The loss will amount to consider-  
able, partially covered by insurance.

## CIRCUIT COURT.

The Jury Will be Impaneled Mon-  
day Next.

There has been nothing of inter-  
est in the circuit court today. Monday  
morning the jury will be impaneled,  
and the most interesting cases will  
come up for trial. There is a large  
number of damage suits on the docket.

## THE NEW BAND.

An effort is being made to organ-  
ize and maintain a good band in Pa-  
ducah. There was a time when Pa-  
ducah had a good band, but that was  
many years ago. If she had one then,  
however, there is no reason she can-  
not have one now. An effort is being  
made to get up a good band, and if  
the merchants assist the Commu-  
cinal club, it will be organized, and Pa-  
ducah will not have to send elsewhere  
when she wants music.

## "MCARTHY'S MISHAPS."

Harney Ferguson at Morton's Next  
Tuesday Night.

The lovers of Irish farce comedy will  
be pleased to learn that the old-time  
favorite Harney Ferguson will be at  
Morton's opera house next Tuesday  
night, in his great laugh producer,  
"McCarthy's Mishaps."

The play has been rewritten and  
interspersed with European novelties  
clever vaudeville acts so that from  
all reports it stands at the head of  
this season's farcical reviews. The  
play is uproarious from start to finish,  
and under the clever direction of Mr.  
Ferguson, who allows no lagging  
the piece is staged admirably. Har-  
ney never loses a point to make a  
laugh and his antics are so supremely  
funny that as the hills say, "it is  
enough to make a horse laugh."

## SOLDIERS REACH MANILA.

MANILA, P. I., Oct. 21.—The trans-  
port Sherman and Elber have arrived.  
The former has on board the Thirtieth  
Volunteers and latter 500 men.

## MARINESURGEON

Paducah Gets Encouragement by  
the Appointment of One  
by Uncle Sam.

## DR. BOYD THE LUCKY MAN

He Last Night Received His Com-  
mission—Paducah May Get  
Much-Needed Hospital.

## RIVER MEN ARE TREATED FRIE

The most encouraging thing to  
wards getting a marine hospital  
since the destruction of the one here  
during the war, is the appointment  
of Dr. Frank Boyd as United States  
marine hospital surgeon from Evans-  
ville, Ind., to Cairo, Ill., with head-  
quarters at Paducah.

Dr. Boyd last night received his  
commission as United States surgeon,  
and is now fully installed, having  
taken the oath before U. S. Clerk Pur-  
year.

His jurisdiction is large, but he will  
not be called away from Paducah by  
his new duties. This will be his head-  
quarters and he will remain here just  
as now. He is a salaried officer of  
the government, however, and all  
river men will be treated free when  
they call upon him.

Paducah has long needed a marine  
hospital, and Dr. Boyd considers the  
appointment of a surgeon for this  
place an auspicious circumstance.  
Nothing is expected for several months,  
however, as the location of a hospital  
here will depend largely, it is thought,  
on the record of cases.

The government sent Inspector  
Oakley here about two months ago  
to investigate the needs of Paducah,  
and he recommended Dr. Boyd for the  
position of surgeon. The appoint-  
ment is quite a compliment to Dr.  
Boyd, and deserved recognition of his  
ability, and at the same time the gov-  
ernment is to be congratulated on  
securing the services of such an able  
surgeon and physician.

## THE DRILL ASSURED.

Company K Will Get the Needed  
Equipments Tomorrow.

The committee which has been en-  
deavoring to secure the guns for Com-  
pany K—our soldier boys—to drill  
with during the carnival next week  
today succeeded in their efforts and  
seventy guns and all equipments  
have been shipped from Frankfort  
and should be here tomorrow. This  
drill feature of the carnival will be  
one of its attractions. The company  
was one of the best companies in the  
Third Kentucky volunteers and was  
counted so efficient that Gen. Fred  
Grant, at Chickamauga, compliment-  
ed the body. Our people have long  
desired to see the company at work  
and this will be the first opportunity  
and "the boys" will no doubt, be  
given a royal reception.

## WILL COME TO PADUCAH.

Mr. S. A. Fowler returned this after-  
noon from Louisville and Evansville.  
In the former place he attended the  
meeting of the Mississippi Valley  
Transportation association. He as a  
representative of Paducah, invited  
the association to meet here next year,  
but it decided to meet in Cincinnati  
next year and Paducah year after next.  
The recommendations for the improve-  
ment of the lower Ohio were passed by  
the association.

## HIT WITH A BRICK.

"Coon" Coley was arrested this  
afternoon on a charge of assaulting  
Tom Clark, of the Clark's river sec-  
tion. Clark hauls wood, and claims  
that Coley became incensed because  
he asked him for the money for some  
wood. Coley struck him in the head  
with a brick, inflicting a wound that  
bled copiously. Dr. Alvey took four  
stitches in it. Coley was arrested.

Governor, W. S. TAYLOR, Of Butler County.

Lieutenant Governor, JOHN MARSHALL, Of Jefferson County.

Secretary of State, CALEB POWERS, Of Knox County.

Attorney General, CLIFTON J. PRATT, Of Hopkins County.

Judge, JOHN S. SWEENEY, Of Bourbon County.

Treasurer, WALTER R. DAY, Of Breathitt County.

Commissioner of Agriculture, J. W. THROCKMORTON, Of Fayette County.

Superintendent of Public Instruction, JOHN BURKE, Of Campbell County.

For Representative, SAM HOUSTON, Of Crick County.

SATURDAY, OCT. 21, 1899.

Just think. The school board of Chicago is asking for 60 additional school buildings, that the children of the place can be accommodated. A city so overcrowded, with fresh air and room to accommodate half the denizens of the earth almost for the asking. Is it not strange?

The stay-at-home voters are the only uncertain quantity in the approaching election. The promise of this vote will cut the aggregate fully fifty thousand. That the Democrats will get the "worst of this vote" is not doubted, for the dissatisfaction is all in their ranks, but all parties and factions will no doubt suffer. The figures should not overlook these stay-at-home suffragists in their calculations.

Mr. Bryan's pot-house political work in Ohio is about completed. He will leave that state, as he did Kentucky, with fewer admirers than he had when he entered. In Ohio as in this state the people are tired of office-seekers, politicians for place, so-called office-seeking statesmen, and "yaller-dog" nominees, and they will vote as they think—with regard to measures and not men, for principles and not party, for right and not wrong, for honesty and honor, etc.

There is no better informed or more reliable man in the county than Mr. Sam Houston, candidate for the legislature. He is of the "staff" variety, true worthy and intelligent legislators are made just the kind of a man every county should have in the legislature, to prevent the enactment of fool laws, waste of time and other injustices to the people. Mr. Houston should honor him and himself and also give to the people a creditable representative by electing Mr. Houston to the place.

The Louisville Free Press is able to "see" the other fellow's game clearly. It says: "Of course no body will suspect that the Goebel-Haldeman interest in the Chittin school book bill has any connection with the Goebel-Frattin Printing Company's ownership of Potemkin's series of Arithmetics and Smith's history of Kentucky, which have heretofore been unsalable. The Chittin bill provided for a state commission with power to say just what books shall be used in Kentucky. And the governor has to appoint this commission. That is one reason why Goebel and Haldeman are for the Chittin bill."

The Goebel press of the state is of fering its old insult to the colored voter. It is telling them that the Brownites have a "barrid" to spend on the election and that if they stay from the polls to vote etc. The statement not only contains the suggestion for the colored man to sell his vote and the insult that he will do so, but it is put forth as an indictment to tempt them to remain from the polls. The colored voter is not to be caught with such stuff, however. They are not to be bought and the imputation is an insult they will resent by being early at the polls November 7th and voting their reason in time.

Mr. Yerkes, who is to speak here on the evening of the 24th, is winning golden opinions even from the Democrats. The character of his speech is above the average, as is indicated by the following, which is from the Hopkinsville New Era, a "rank" Democratic paper: "Mr. Yerkes is unquestionably the most commanding figure in the Republican party of

Kenucky, and, what is more, he is a man of integrity and lofty character. He represents the best element of the party in this state.  
"Mr. Yerkes' speech was a dignified, fair and logical effort to refute charges of Republican mismanagement of state and national affairs, and an effective counter to Democratic tenets and the erratic legislation. He states straight from the shoulder, above the belt, and the Democrats, of whom many were present, commended the manly tone and spirit of his argument."

## In Society.

"Say, where are you going in pretty maid?"  
"I'm going to the carnival, sir," she said.  
"I must take in all of the sights, you know.  
To be quite certain I'll let you go."

"Go chase yourself then, my pretty maid.  
To marry you I'd be quite afraid.  
The chap who gets you today will not And find too soon just what hard frosts are."

The past week has been a little gay in social circles, but it will be next week before the social season of 1899-1900 will be well under way.

There were several things on the calendar the past week. Monday evening Mr. and Mrs. Henry Burnett gave a dance at the park complex in honor of their guests, Captain and Mrs. Terry, and son and daughter of Washington. Monday evening Miss Greer entertained at cards. Thursday evening Mrs. Albert Decker entertained the Married Ladies' Euchre club and this morning the Young Ladies' Euchre club held a meeting with Miss Ruby Cobb, besides there were several smaller affairs. Every one is waiting at present, with pleasant anticipation, the gayeties of next week—Carnival week. From present indications the number of visitors present will be very large.

There is no doubt of the affair being a grand success—everything points that way—and the managers of the affair deserve all the praise and commendation they are receiving for the tireless manner in which they are managing everything.

The ball to be given by the Mystic circle at the Palmer Friday evening will be the principal social affair of the week, if not of the entire season.

After a good deal of friendly interest and spirited voting the contest for Queen of the Carnival closed last evening. Miss Elizabeth Barrett was elected queen by a very large majority. That she will essay the role with becoming grace and dignity we can all rest well assured.

The queen will not take part in any of the festivities until after the afternoon parade Friday night.

The king will arrive on his yacht Thursday afternoon at 4 o'clock and be met at the wharf by the mayor and the members of the council and the keys to the city will be turned over to him there.

He will take part in all the celebrations to be given Thursday and Friday and after the parade Friday evening will crown his queen. The coronation will take place on the balcony of the Palmer and then the king and his queen and court will adjourn to the ball room and hold a ball.

At the ball the queen will be attended by a levy of handsome maids of honor from the neighboring Kentucky, Tennessee and Illinois towns.

The young ladies thus honored are: Misses Carrie Holton, of Murray; Lulu Reed, of Benton; Mary Wayne Murphy, of Fulton; Mary Ratliff, of Princeton; Lucy Turner, of Wickliffe; Mayne Elliott, of Mayfield; Nora Anderson, of Owensboro; Maria Towle, of Metropolis; Jane Skiffington, of Dyersburg; Bessie Tigert, of Newben; Sarah Young, of Henderson; Ruthie Innet, of Hopkinsville; Inez Whitfield, of Clarksville; Minerva Cooley, of Paris; Tomie Jeanette, of Cairo; Edith Leonard, of Edinville.

The following ladies have been selected as matrons of honor to attend the queen at the ball Friday evening: Mesdames W. F. Paxton, Cook Husbands, T. C. Leach, R. B. Phillips, George Wallace, O. L. Gregory, W. A. Gardner, Walter Johnson, George Flournoy.

The Delphi club held a very interesting meeting with Mrs. Isaac Reese on North Big street Tuesday morning. Mesdames H. Clay Smith and Isaac Reese read two splendid papers on Chariotage. This club is composed of some of the brightest minds in Paducah literary circles and its meetings are always entertaining. The course of study decided on this winter is the history of French literature. The next meeting will be held next Tuesday with Mrs. Reese when Mesdames Louis Riecke and W. E. Cave will deliver papers on French literature from the eighth to the sixteenth century.

Mrs. Oscar Gregory will entertain the members of the Married Ladies' Euchre club and their husbands next Wednesday evening.

The many friends of Mr. and Mrs. Isaac Reese will regret to learn that they will move to Memphis to live the first of December. Mr. Reese has business connections which demand his residence in the Bluff City. Mrs. Reese is a very intelligent woman and has made many friends in her literary and social circles by her unusually bright mind and sweet disposition, who will wish her God speed in her new home.

The Young Ladies' Euchre club held a business meeting this morning with Miss Ruby Cobb. It was decided to hold the first meeting a week from next Wednesday. The hosts will be announced later. The members of the club for this season are: Misses Elizabeth Simont, Mary and Anna Boswell, May Terrell, Martha Leach, Ruby Cobb, Clara Thompson, Jeanette Campbell, Mickle Hanks, Maie Noble, Anna May Yeiser and Mesdames Harry Tandy, Charles Moequet, Edwin Rivers, and King Brooks.

There will be no dearth of pretty visitors in the city next week and it will tax the tireless energies of our gallant young men to assist in entertaining them. A few of the visitors expected are: Misses Inez Whitfield, of Clarksville; Louise Backen, of Dyersburg; Georgia Scott, of Dyersburg; Mayne Elliott, of Mayfield; Maye and Fannie Higgins, of St. Louis; Nora Anderson, of Owensboro; Bessie Tigert, of Newben; Lillian Boswell, of Newben; Lillian Boswell, of Mayfield; Mary Ratliff, of Princeton; Gertrude Asher, of Memphis.

A nice party enjoyed an outing on the yacht Bessie Hill Wednesday. It was complimentary to Miss Terry and Mr. Terry, guests of Mr. and Mrs. Henry Burnett. In the party were: Mr. and Mrs. Terry, Mr. and Mrs. Geo. Wallace, Mr. and Mrs. Cook Husbands, Mrs. Henry Burnett, Miss Martha Leach, Miss Mickey Hanks, M. S. Bob Phillips, Maurice Nash, M. S. Irene Gardner, given Fowler.

Mr. Will Clemens, of Louisville, will come down to the carnival festivities next week. Mr. Clemens made many friends during his residence here two years ago, who will be pleased to welcome him if only for a few days.

A dance was given Monday night at La Belle park by Mr. and Mrs. Henry Burnett, in honor of their guests, Captain and Mrs. Terry and son and daughter, of Annapolis, Md., and a most delightful function. The attendance was large and to a late hour the event was enjoyed. In addition to the host and hostess and their guests there were present: Misses Mary Burnett, Carrie Riecke, Carrie Morton, Emma Reed, Myra Gould, Fannie Gould, Lucy Rehorn, Nena Rabb, May Terrell, Minnie Terrell, Virginia Reed, Ann Reed, Lizzie Simont, Marie Noble, Myrtle Decker, Martha Leach, Martha Davis, Myrtle Decker, Helen Decker, Mary E. Ewell, Janie Rivers, Mary Boswell, Jessie Nash, Angie Thomas, Lillian Gregory, Eloise Bradshaw, Mesdames Charles Spillman, Edwin Wilson, Harry Riecke, Edwin Hart, Joe Simont, Maurice Nash, Wade Swath, Everett Thompson, Frank Howe, Dr. Howell, Bradford Clark, Robt. Noble, Tom Hall, Albert Foster, Louis Riecke, Jim Campbell, Fred McKnight, John Quigley, Rankin Kirkland, Dennis Moque, Mr. and Mrs. G. C. Wallace, R. B. Phillips, A. B. Sewell, Alex. Kiskland, A. J. Decker, W. F. Bradshaw, Ed Leach, Harry Tandy, Cook Husbands, Dr. and Mrs. Cowgill, Dr. and Mrs. Murrell, Dr. and Mrs. Hicks, Mesdames Frank Leavitt, of St. Louis; Hicks, of Macon, Ga.; O. L. Gregory, Mary Rabb, M. A. Burnett, and W. A. Gardner.

The Misses Cooley and a party of friends from Mayfield, have engaged rooms at the Palmer, for carnival week.

The meeting of the Married Ladies' Euchre Club with Mrs. Albert Decker Thursday evening was a very handsome and pleasant affair. Mrs. Frank J. Leavitt, of St. Louis, won the ladies' prize, a very pretty vase, and Mr. L. D. Wilcox and Dr. Taylor tied for the gentlemen's prize, a handsome pipe. Mr. Wilcox winning in the play off. Among those present were: Mesdames Hicks, of Macon, Ga.; Leavitt, of St. Louis; Capt. and Mrs. Terry, of Washington; Mr. and Mrs. Henry Burnett, A. R. Meyers, L. D. Wilcox, W. F. Bradshaw, O. L. Gregory, W. W. Powell; Mrs. R. G. Terrell; Miss May Terrell, Marie Noble, Emma Reed, Carrie Riecke, Mary Burnett, Charlie Morton, Mesdames Mary Terry, of Washington; Charles Reed, Maurice Nash, Joe Simont, Fred McKnight, Dr. Taylor, and Louis Riecke, Jr.

Capt. and Mrs. Terry and son and daughter, of Washington, who have been the guests of Mr. and Mrs. Henry Burnett for the past ten days left for their home this morning.

Miss Inez Whitfield, of Clarksville, will visit Mrs. R. B. Phillips during the carnival.

Miss Louise Backen, of Dyersburg, will arrive Thursday to visit Miss Marie Noble.

Miss Mayne Elliott, of Mayfield, will visit Miss Aime Bagby next week.

Miss Alice Crumbach will entertain Miss Georgia Scott, of Dyersburg, carnival week.

Misses Maye and Fannie Higgins, of St. Louis, will arrive Wednesday to visit the family of Mr. W. F. Paxton.

Miss Mary Ratliff, of Princeton, will be the guest of Mrs. T. C. Leach during the carnival festivities.

Mr. Frank Harlan, the well known plumber, left yesterday for Maryville, Mich., where he will on next Wednesday, the 25th, be united in marriage to Miss Bertha Cross, formerly of this city, but now of that place. She is a daughter of Mr. H. G. Graves, formerly of the city, and Mr. Harlan is a son of the well known police officer, Frank Harlan, Sr. Mr. and Mrs. Harlan will come to Paducah and reside at 1810 Tremble street.

A train on the Southern railroad was wrecked near Wrens, Ga., and two men were fatally killed.

### CHILD ADOPTED.

Good Words Spoken for the Home of the Friendless.

On Tuesday, the second day of court, Judge B. O. Jones and wife increased their family by adopting, in open court, little Etta Hall, a bright three-year-old waif that they procured from the Home of the Friendless, Paducah, Ky., says the Metropolis Journal-Republican. We have seen this little girl in charge of Mrs. Judge Jones, on public occasions, and the picture presented was a most pleasing one of motherly affection on the part of Mrs. Jones, and childish trust and affection on the part of the child. The little lady has found a home where she will be given every opportunity to grow into the girl of God's best gifts to man—a pure, noble woman. We congratulate the adopted parents, we rejoice with the child. Surely we must not forget the Home of the Friendless, of which Mrs. Judge Campbell, of Paducah, is president; for it was through them that this child has found such a good home and pleasant home. Ought we not to have a branch home in Metropolis? Think of it.

The reader of this paper will be pained to learn that there is at least one dreaded disease that science has been unable to cure in all its stages, and that is Catarrh. Catarrh is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Halls Catarrh Cure is taken internally, acting directly on the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for free test and details.

## Y. M. C. A. NOTES.

Association Brief. Friend has Some New Information.

The association has a committee for visiting the sick, and would be glad to have reported any case where young men are sick, especially where friends are needed. This work is not confined to members alone, but all young men are included.

The Paducah association needs loyalty on the part both of the members and of interested friends. It will do great work when the men and women of the city are loyal and not in a hush.

The Association Brief. Friend has Some New Information.

Physical instructor Potter has been on the sick list for a week past, and was forced to take two classes last week. He is O. K. now, and will be on hand Saturday night, as well as glass exercises following. The men who have entered the classes this year are more than pleased, and already testify to the benefits of the gymnastics. Join now. The Junior department is growing. Gymnasium classes every Tuesday and Thursday afternoon. In connection with the gymnastics work arrangement has been made to make regular physical examinations. This will help very much in having the men know how much and what kind of exercise each needs. Mr. Potter will conduct the measurements.

The new books have arrived, and the library members compliment them highly. You read the best books at the lowest cost by having a membership. An effort is being made to have a course of practical talks as a feature of the fall and winter work.

Beginning with the first Sunday in November some very fine addresses will be given on Sunday afternoons. A program of up-to-date subjects is being laid up and the best speakers in the city will have a part. Help these men's meetings to grow.

## WANTED TO GET OUT

Ed Lindsey is Wanted in Marshall County.

He Was One of the Conspirators in the Attempted Jail Break.

If Ed Lindsey is not convicted here of robbery when he is tried next week, he will be transferred to the Benton jail. He is wanted there on a grave charge, and was indicted together with several others at the last term of the Marshall county circuit court.

A bench warrant was received by Sheriff Rogers this morning for Lindsey, on a charge of confederating and conspiring to liberate the prisoners in the county jail at Benton.

In the same warrant and same indictment, Horace Powell, Joe Daniel, M. V. Powell and Walter Lindsey are charged with participation in the same conspiracy. It is alleged that early in the year they attempted to form a conspiracy, and did form one, to let all the prisoners out of the Benton jail, especially Horace Powell and Walter Lindsey, who are held on charges of grand larceny and house breaking.

The two latter were brought to the city for safe keeping, and are now in jail charged, in addition to the Marshall county offenses, with breaking into the postoffice at Calvert City.

If Lindsey is acquitted here at his preliminary trial he will be remanded to jail on the bench warrant.

## SERPENT POINTS

Owensboro Inquirer: "When Goebel was pretending to fight the battle of Blackburn and free silver in the legislature in 1896 he was in reality harboring in his bosom plans for the defeat, not only of Blackburn, but of this cause. He explained to Carlisle that he was supporting Blackburn for personal reasons, but that he really did not mean it. After Blackburn was defeated Goebel went to Carlisle and renewed his allegiance, both by word and in writing, only to betray him, as he betrayed Blackburn. The serpent of Eden was without guile in comparison with this man."

Owing to the increased cost of producing coal and the unprecedented demand for our coal elsewhere, we see no good reason why we should continue selling coal here at less than cost.
